The Unique Student Identifier or USI is a reference number made up of 10 numbers and letters that:

- creates a secure online record of your recognized training and qualifications gained in Australia, even from different training organizations
- will give you access to your training records and transcripts
- can be accessed online, anytime and anywhere
- is free and easy to create and
- stays with you for life

International students studying in Australia with an Australian training organization will need a USI. All international students in Australia will be issued with an Australian Visa. This will allow them to use their passport with an Australian visa as a form of ID when creating their USI. If you are an international student who will be studying in Australia, you will require a USI.

Step 1

New to Australia?

If you are a first-time student in Australia, you will need to create your USI by visiting the following link

<https://www.usi.gov.au/students/create-your-usi>

Please ensure that you provide your details to us as you have provided to the USI registry (as per your identity documents)

Already a Student in Australia?

Having a USI is mandatory since 2015. If you have forgotten your USI number, you can retrieve it by searching “**Forgotten USI Number**” and following the steps through the link.

Step 2

Upon completing either of the steps above, forward the email that you have received from USI Registry to

admission@accm.vic.edu.au Please mention your Student Name, Date of Birth, and ACCM Student ID as Email Subject

Step 3

Please provide your USI above and bring this form along for your orientation.

Where a student is unable to enter Australia and create their own USI, RTO and VET Admission Bodies (VAB) may create the USI on the student’s behalf. If the student does not have a Document Verification Service (DVS) verifiable form of identification, the USI can be created using the ‘DVS override function’.
